

SUS304 STAINLESS EXHAUST SYSTEM  
SERIES

# X304

75RS LEGAL JQR · STREET LEGAL

POWER. SOUND.  
STREET-LEGAL.

The exhaust note you crave — engineered to pass. A full vehicle-specific stainless system for the Honda Civic Type R (FL5), finished with a burnt-titanium twin tail.

- CIVIC FL5 ONLY
- SUS304 · 1.5 mm
- TITANIUM TWIN TAIL
- +7 PS GAIN
- JQR STREET-LEGAL
- VALVELESS STRAIGHT

## Straight-Through Lightweight Design

A restriction-free straight layout with J'S RACING's proprietary silencing. Lighter than OEM, low back-pressure, razor-sharp throttle response.

## Burnt-Titanium Twin Dolphin Tail

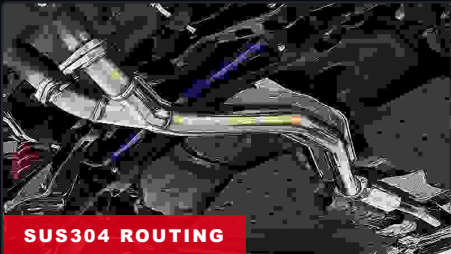

120φ twin dolphin tails in titanium alloy, hand-finished to the signature burnt-blue gradient. 75φ main splits to 60.5φ×2.

## Certified for the Street

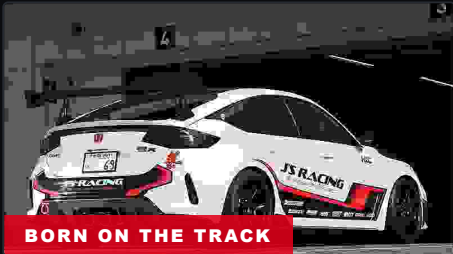

JQR-certified and compliant with Japan's acceleration-noise regulations. Pass inspection and drive it daily — sound without compromise.
